E. REASONS SUPPORTING OBJECTION(S): Shoshone County Tax Assessor Records show Parcel RP52N02E196800 is 10 acres, part of Homestead Entry Survey 484 Tract B. This is the actual legal survey of the property. The traditional aliquot part Public Land Survey description would be the NESESW Sec 19 T52N R2E. This quarter-quarter is mixed ownership with 1/4 private land and 3/4 National Forest System (NFS) land. The 10 acre private land parcel is entirely surrounded by NFS land. The Point of Diversion (POD) and Place of Use in the SESW appears to be on private land. The POD in the SWSE appears to be on NFS land. This information needs to be included in the water right elements to clearly establish the locations as being on private land and NFS land. The water right elements also need to include that the property is part of HES 484 Tract B.
