E. REASONS SUPPORTING OBJECTION(S): Information in IDWR files shows that this property is Shoshone County Assessor Tax Parcel RP48N04E180225A, located in Section 18 T48N R4E, which is private land. This implies that the Place of Use (POU) in the Director's Report Recommendation in the SESE Sec 7 T48N R4E is not entirely correct. There may also similar irregularities in the Point of Diversion. The Point of Diversion (POD) and POU are both recommended in the SESE Sec 7. This quarter-quarter is mixed private and federal ownership. The BLM MTP shows that it is Lot 7 and includes part of Homestead Entry Survey (HES) 216. If the POD and/or POU are found to also include any land in the SESE Sec 7 those legal locations need to also be described in the elements of the water right as being on HES 216 and that the water right does not include any federal land.
