E. REASONS SUPPORTING OBJECTION(S): Kootenai County Parcel Nos. 48N02W03 5800 and 48N02W047300 are Homestead Entry Survey (HES) 680. It is private land surrounded by National Forest System (NFS) land. It is irregular in shape and does not conform to the aliquot part quarter-quarters shown in the Directors Report Recommendation, which also include NFS land. The actual legal survey of this property is HES 680. This needs to be identified in the water right elements to prevent any confusion that the water right might include NFS land. A phrase that the water right does not include any federal land also needs to be included in the water right elements.
