State reason(s) why an extension of time is requested:

Claim 47-14282 covers Permits 47-7679 & 47-7682, which are technically lapsed

since August of 1987. I was advised by TWRI by Dr. Charles Zay Broadway that

I did not have to file this claim. So I don't feel that I should have to pay the

late fee.

RE: A/R S000020

Dear Mr. Kasel:

Our agent Lori White, who you spoke with last week, informed me of the problem with the billing statement which you received last month. After looking into the situation it does appear the billing statement was calculated in error.

As I understand the situation, you filed your claims January 11, 1989 and paid a late fee as recorded under receipt S005874 which also established the payment of the fees under a payment plan. You also applied for an extension of time for filing the claims which was granted January 30, 1989 which allowed for the waiver of the late fee. Thus the late fee paid should have been credited against the remaining balance due on the unpaid portion for the filing fees as described below:

Original fee	\$3955.00	Payment received 1/12/89	\$791.00
		Credit for late fee	635.00
	-----		-----
Outstanding fee	\$2529.00	Total paid on	\$1426.00
Balance as of 1/12/89		Principal as of 1/12/89	

Your Billing Statement is corrected as follows:

Fee Balance.....	\$2529.00
Next installment due on outstanding balance.....	\$ 791.00
Interest due (10% on balance since 1/13/89 to 1/1/90).. Corrected Total Amount Due	244.59 \$1035.59

Due to our mixup the Due Date is extended to 1/11/90. If you have any questions please let me know.

Sincerely

Allen Merritt
