RE: Representation of TP Post Falls, LLC for Subcase Nos. 95-14700 and 95-15391

Dear Lukins & Annis,

The Department of Water Resources received two Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notices of Claim to a Water Right for TP Post Falls, LLC which included a Notice of Appearance by Paul R. Harrington. As Paul Harrington is now a staff attorney with the CSRBA Water Court, it is our understanding that he no longer represents the aforementioned claimant. On August 15, 2016, our department received an emailed letter from Greg Haerr, manager of TP Post Falls, providing notification that the company is not currently represented by any attorney or firm. To ensure the accuracy of our records, please provide written notification of whether or not TP Post Falls, LLC is currently represented by your firm for the subcases listed above. For your reference, I have enclosed copies of the two water right claims. Your help in this matter is greatly appreciated.

If you have any questions or concerns, please contact our adjudication staff for further discussion. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
