To Whom It May Concern:,

Regarding the date of priority for domestic and irrigational use of the water on the parcel number-3775 located in township 50N range 05W section 5 of the SW1/4 government lot 1 of Kootenai County Idaho, street address 829 S. Pleasant View Rd. Post Falls, Idaho 83854.

Per our conversation today, I am sending news print dated Oct. 16, 1921, along with a picture of items from in and around the house including square nails that were used to construct the original bat and board one room home that sets on a rock root cellar located on the slope of the river bank and is part of our home today. Jack Reynolds, who was born and raised in this home and still living at 75 years old, sold this house to Bob Andrews in 1965. I bought the house from Mr. Andrews in 1982. Mr. Reynolds could not remember who his father bought the home from in the nineteen thirty's, but was told it was originally established in 1910. This seems to be substantiated by the square nail construction method of the first room. The 1921 newspaper was used as insulation in the wall of the next room that was added to the original building and was constructed of rough cut stud walls with 1" board sheeting. .

Based on the above information, the date priority for domestic and irrigational water use of 3-15 1920 seems reasonable and should probably date back to 1910.

Thank you for your help in this matter, please contact me at 509-939-9012 if you need further information.

Sincerely,

Martin A. Hansen
