This afternoon I spoke with attorney Jim Speck regarding SRBA Claim 37-4184. He told me that he no longer represents the claimant, Warren Tenney, and that he doesn't think Mr. Tenney owns the place of use any longer. According to Blaine County tax lot data, the new owner of the parcel is Nick Vanoff Presents, Inc.

St. Bide's Farm

9325 St. Bide's Ln.

Upperville, VA 20184

The pond is evident on old aerial photography from 8/9/1969, so I can recommend that priority date, at least. The reservoir is roughly a parallelogram about 235' x 290', or about 1.5 acres. It would have to be less than a foot deep to be only the claimed 1 AF, so I can recommend the claimed storage volume. It is on-stream storage, so no flow rate will be recommended.

POU + POD are in the claimed 40-acre ~~the~~ location.

RESPONSE DEADLINE
JUNE 17, 2005

Re: Evidence of Priority

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, in the coming year, conduct reviews and/or field exams for the claims in your area. Since the priority date of a beneficial use water right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the Department. If you have received this correspondence from the previous owner of the property it is required that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Enclosed you will find a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: The Department will not recommend the court decree the notice **as claimed** if no evidence of a priority date is submitted – it may be disallowed. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement does **not** need to be in the form of a notarized affidavit as described in the brochure, but must relate first hand knowledge of the water right in question and include dates, quantities of water and extent of water use.

Submit the required evidence supporting the priority date by the date shown above, referencing all documents with the corresponding Notice of Claim number (i.e. 37-____). If you have questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor

Dear Ms. Harrington:

Enclosed please find the above-referenced Claim to a Water Right which Don Shaff returned to me for a decision on whether or not to continue to Claim both "non-consumptive" uses and pay the additional filing fee. Mr. Tenney has decided to revise the Claim to eliminate the recreation purpose. Accordingly, page 2 of the Claim has been appropriately revised and no additional fee is due.

Thank you for your cooperation and assistance in these matters. Please do not hesitate to call me if you have any questions.

RE: Notices to Claim to a Water Right
Tenney, A37-04184
Peterson, A37-00577AC

Dear Mr. Speck:

Please find enclosed the above referenced Notices to Claim which are returned for correction and/or modification.

Regarding Mr. Tenney's claim, A37-04184, the correct fee for this claim is actually \$450.00. As you will note in the Water Rights Adjudication Handbook, Rule 5,6, if more than one purpose of use is on a single claim, the variable fee will be the total of the variable fees payable for each purpose, i.e., fee for 2.0 cfs for recreation is \$200.00; fee for 2.0 cfs for aesthetics is \$200.00. A flat fee of \$50 plus the variable fee of \$400 totals \$450.00.

Regarding A37-00577AC, please emboss with your notary seal.

If you have any questions, please do not hesitate to call. Please return these claims ATTN: H. Harrington. If these claims are returned within 30 days, there will not be a late fee.

Sincerely
