RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-10963

Dear Claimants,

The Idaho Department of Water Resources received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-10963. Following the submission of your claim form, we received a written request to change the priority date of the water right claim to July 4, 1954. We are unable to make the requested change to your adjudication claim at this time for the following reason.

The requested change in priority date can only be accomplished through the submission of an amended Notice of Claim to a Water Right form. For your convenience, I have enclosed an amended Notice of Claim to a Water Right for CSRBA Claim No. 95-10963 which includes the requested priority date change. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above. As our time is growing short in Basin 95, I also ask that you return the signed claim form to us before September 30, 2016.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
