RE: SNAKE RIVER BASIN ADJUDICATION (SRBA) CLAIM(S): 37-198, 37-199A, 37-199B

Dear Steve

As we discussed by telephone the other day, Greg Mann came in to amend several of his claims. As you discussed with Greg as well as myself, several water claim numbers as well as diversion rates needed to be changed in order to correctly complete the recommendations.

The following changes were made:

<u>Amended claim #</u>	<u>cfs</u>	<i>changed to</i>	<u>New claim #</u>	<u>cfs</u>
37-198A	1.48		37-198	1.6
37-198B	1.48		37-199A	1.42
37-199B	0.94		unchanged	0.88

Basically since there was a 0.12 cfs increase to new claim 37-198, I reduced 0.06 cfs from each of the remaining two new claims. I made new claims and tried to ~~be~~ put specific remarks on the old claims so one could track what our intentions were here. I had Greg Mann sign and notarize both of his new claims but did not require that of the Bartons (37-199B) since there was only an amendment that took place on the rate of diversion and nothing else.

Attached are the notarized amendments as well as all of Greg Mann's notice of errors for the above listed claims as well as for all of his other claims in which he agrees to the recommendations.

Hope this helped

Sincerely

Nick Treasure

Water Resource Agent
