Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claim 95-16533

Dear Mr. and Ms. Waldo,

Thank you for responding to my previous letter about amending your claim. I have updated the claim record and am sending you a copy of the recommendation for claim 95-16533. The enclosed recommendation is a copy of what the Idaho Department of Water Resources (IDWR) will send to the court in a Director's Report sometime in 2017.

I thought I would send you a copy ahead of time in case you had questions. Look over the recommendation and if you disagree or have questions, please feel free to contact me and we can talk it through.

When you submitted the amended claim, you noted that you would be at the above Oregon address for the next 8 months. Even though I am sending this letter to your Oregon address, you will see on the enclosed recommendation that your mailing address is still the Idaho address. I have not changed your mailing address in IDWR's database. Did you want me to change the database to the Oregon address? That means any future correspondence would be sent to the Oregon address.

If you would like me to change the address on your water right to the Fields, Oregon address shown at the top of this letter, you can either call me or just sign this letter at the bottom and mail it back to me

Please feel free to contact me if you have any questions.

Respectfully submitted,

Craig L. Saxton
IDWR
