RE: Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No(s). 95-16523

Dear Property Owner:

We have been advised you may be the new owner of the property with the water rights referenced above (see enclosed report). We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right 95-16523 is appurtenant to property you own.

When this water right was claimed by the previous owner, it was claimed on the incorrect form for a CSRBA claim. Assuming that you are still using this right as it was claimed, we have enclosed the correct form in your name that would need to be signed and returned to us to complete the claim filing. In addition, we need to have the enclosed Notice of Change of Water Right Ownership form completed and submitted with the proper documents showing the transfer of ownership to you, since it was claimed by another party. Please follow the instructions included with this form and return to our office with all of the required information.

Please do not hesitate to contact our Adjudication staff at 1-800-451-4129 if you have any questions regarding this matter.

Sincerely,

Lori Harris
