RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9073

Dear Claimant,

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are waiting to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the use of water from Coeur d'Alene Lake for domestic and irrigation purposes based a previously issued water right license. Your claim included a maximum diversion rate of 0.04 CFS and 6.0 AF annually, while the original license has a maximum diversion rate of 0.07 CFS and 6.6 AF annually. If you wish to preserve the entirety of your original water right, an amended claim form matching that license must be submitted. For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-9073 which includes all pertinent information from the originally licensed water right. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above within 30 days of receiving this letter.

PLEASE NOTE: If an amended notice of claim is not received for this water right, IDWR will recommend this claim to the Court with the reduced diversion rate and volume. The unclaimed portion of the license will no longer be recognized when the adjudication concludes.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
