RE: Snake River Basin Adjudication (SRBA)
Notice of Claim #A37-02692 - Camp Sawtooth

Department of Water Resources
Northern Region Office

Dear Mr. Carlson:

Some time ago your predecessor wrote in response to water right claims for Camp Sawtooth. At that time the Forest Service would not be filing its claims for some time. At long last we have worked through the thousands of claims filed by the Forest Service and can now confirm for you the Forest Service has filed a claim as shown on the enclosed computer report for Camp Sawtooth. The claim does not specifically identify the camp by name, but I have confirmed the link between the camp and the claim with records in the department.

In the future, the department will investigate the claim before recommending in a report to the court. If you have any questions, please feel free to contact me.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section

Dear Mr. Higginson:

In response to your recent communication on water rights re: Camp Sawtooth of the Presbyterian Church, I contacted the Sawtooth National Recreation Area and the U.S. Forest Service from whom we lease the site. I was informed that the Forest Service will file for the rights on the spring that feeds the camp water system. The use will be for an organization camp.

Thank you for communicating with us,

Judy McKay
