PERPETUAL EASEMENT AND MAINTENANCE AGREEMENT

For and in consideration of value received, benefits derived, and to be derived by the Grantors herein, and other valuable consideration, receipt and sufficiency of which are hereby acknowledged, I Joseph L. and Cynthia L. Dobson and Lonnie J and Laura L. Jordahl who's address is 19510 N. Rimrock Rd., Hayden, ID. 83858 all as Grantors, hereby reserve, grant and convey a perpetual and irrevocable easement as provided in this Agreement. The Grantor agrees as follows:

1. The Grantors are the current partial Owners and developers of the following described real estate, situated in the County of Kootenai, State of Idaho, referred to as the "Benefited Properties":

Lot 1, 2, 3, & 4 Rambling Ranch Estates Recorded in Book 6 of Plat, at page 16 record of Bonner County, State of Idaho.

2. The easement is reserved and granted on, over, under, and across those portions of the Benefited Properties shown in Exhibit "A" attached hereto which are designed as "Well Site" and "Water Line Easement". The designated areas are referred to as the "Encumbered Properties".

3. The Easement is given and reserved for the purpose of placing, constructing, reconstructing and maintaining a well house, service lines and related equipment and apparatus for the benefited Properties, provided that the well house with in which the well is currently located is and shall remain the property of the Owners of said Lots who shall be responsible at all times for maintained the well house I reasonable repair and condition.

4. The owners of the Benefited Properties, or their successors, shall have the right at all reasonable times to enter all portions of the encumbered property, including the well house, for the purpose of inspecting, maintaining, improving, repairing and reconstruction any portion of the well, service lines or related equipment and apparatus. Provided, the Owner of the Benefited Properties shall perform and such actions with due diligence ands shall use reasonable care not to damage or destroy any improvements of the Owners of the Encumbered Properties. No owner of any part of the Encumbered Properties shall construct a permanent building of structure over any service lines running to another Lot with the Encumbered or Benefited Properties. Other improvements damaged or destroyed by any person performing work pursuant to this easement grant shall, upon completion of work restore such improvements as nearly as practicable to there condition immediately prior to the commencement of such work.

5. The Owners of each Lot within the Benefited Properties shall have the right to

use water from the well provided in the Easement for water for a single family dwelling, drinking water for stock and irrigation for no more than one-half acre of non-commercial gardening. Should any Owner of any Lot within the Benefited Properties desire to irrigate crops or pasture beyond that permitted in the proceeding sentence, such owner shall do so from water source other than the well and system provided for the Easement Agreement. If required, such irrigation water source shall conform to all local, state and federal regulations and requirements, including State of Idaho, Department of Water Resource regulations and guidelines. In any case, no irrigation well shall be drilled within 75 feet of any Lot property line within Rambling Ranch Estates.

6. No person, including any Owner of a Lot within Rambling Ranch Estates and specifically any Owner of a Lot within the Benefited Properties shall construct, maintain or suffer to be constructed or maintained within one hundred (100) feet of any domestic water well within Rambling Ranch Estates, including the Benefited and Encumbered Properties, and potential source of contamination, such as cesspools, sewers, privies, septic tanks drain fields, manure piles, garbage of any kind or description, barns, chicken house, rabbit hutch, pig pens or other enclosed or structured for the keeping of or maintenance of fowls or animals, or storage of liquid or dry chemicals, herbicides or insecticides.

7. None of the Grantors, nor their successors shall have the right to increase or add to the Benefited Properties to serve under this Easement without the unanimous consent of all the Owners of the Benefited and Encumbered Properties.

8. The Owner of each of the four lots within the Benefited Properties shall be responsible for the equally sharing of all the cost and obligation with respect to inspecting, maintaining, improving, repairing and reconstructing any and all portions of the well related equipment and apparatus up to the connections to any service line. The Owners of the lots within the benefited areas shall be solely responsible for all such costs with respect to the connected to delivery side of such owner's connection to the pump; All portions of the water delivery system shall be maintained in good operating condition at all times and in conformity with all local, state and federal regulations and requirements.

9. In the event any owner fails to fulfill their obligation to maintain and repair, or to pay their proportionate share of such cost, the remaining owner(s) may perform and/or pay for such obligation or performance and recover all cost thereof, together with any additional amount of five percent (5%) of the cost thereof, and together with interest on any such expenditures at the rate of twelve percent (12%) per annum from any such payment, and together with any costs and reasonable attorneys' fee incurred in enforcing this obligation. Any unpaid obligation owed by an owner by such owner shall constitute a lien on the portion of the Benefited and Encumbered Properties owned by such owner from and after the date recording, by the Owner(s) who has/have paid default owner's obligations. The obligation shall be a lien from the date of filing such notice, enforceable through foreclosure, in like fashion as a mortgage.
