Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-115A and 95-115B

Dear Mr. or Mrs. Elston:

We're in the process of reviewing the above claims for recommendation in the CSRBA. If you will recall, these are the claims based on the decreed rights for the spring diversion (95-115A) and the diversion from Hayden Lake (95-115B).

Claim 95-115A was decreed for an amount of 0.04 cfs (cubic feet per second) and 1.14 acre feet. However, when you completed the claim you didn't include the quantity of 0.04 cfs. If you would like to include this amount, please write it in under number 6 and initial and date this addition.

Claim 95-115B has not been signed and without a signature the claim is not valid. Consequently, please sign and date the enclosed copy of your claim under item 15.

Also, I've enclosed a map and ask that you show on this map the location of the spring, the location of the lake diversion and where the water is used.

Please return this information, to my attention, by July 31, 2015. Be sure to contact me if you have any questions. I can be reached at (208) 762-2802.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
