A hearing was held on September 28, 2016. At the hearing, the parties explained that *Objections* were filed prior to the *Director's Report* because they were responding to the *Motion for Determination of Deferred De Minimis* water rights. The parties agreed that the *Objections* filed prior to the *Director's Report* should go forward. However, once the *Director's Report* was filed, the Objectors determined that they agree with the *Director's Report*. Therefore, the *Objections* will go forward as *Responses*. The *Responses* are deemed timely and will be filed with the Court dated September 28, 2016. The Court Registry of Action will reflect the change of the *Objections* to *Responses*.

In addition, the parties reported that they have met and discussed settlement options. The parties are optimistic that a resolution may be possible. The parties will continue to work on settlement discussions.
