DEPARTMENT OF
WATER RESOURCES

Hi Steve,

I spoke to you a couple of weeks ago concerning the change of ownership form that you sent me.

It says the current owner of the water rights is Reba Dalby — and it lists an incorrect address for this Parcel.

My father purchased 160 acres in approximately 1964. In 1978 he gave my husband (Ronald R. Ringhand) + I 10 acres. In 2004 we gave our son Andrew Ringhand the back 5 acres of this land. I have included that Quitclaim deed.

I hope you will find enough information here to grant us the water rights.

Thank You!
