RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claims 95-14885, 95-14886, and 95-14887

Dear Mr. Lorenz,

Thanks for speaking with me on September 30, 2016. Per our conversation, I am sending you two items:

- 1) An amended claim for 95-14886. The yellow highlights show the changes that have been made relative to the original claim filing. This adds the domestic use to the claim and adds a second point of diversion which will allow me to recommend two wells as valid points of diversion on one water right.

Please look over the amended claim and initial any changes you wish to make. When satisfied, sign the claim and return it to me at your earliest convenience.

- 2) A partially completed change in address form. I know that we are changing the address on the amended claim 95-14886, but I need you to sign and return the change of address form in order for me to update the other claim records 95-14885 and 95-14887.

Once you return the amended claims, I will prepare the recommendations that I intend to send to the court and send you copies for your review.

Please contact me if you have any questions.

Respectfully,

Craig L. Saxton
