Dear Claimants:

Thanks for the claim information that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been assigned number 95-12521. Additional information is needed so that IDWR can determine the location of your well and make an accurate recommendation to the Court.

Please refer to the enclosed copy of your claim, the aerial photograph showing your property, and the enclosed well information that you attached to your claim. Please mark the location of the well serving your property with a dark 'X' labeled 'WELL' and your home circled and labeled 'HOME' on the attached map. The marked map should be mailed to me at the IDWR Northern Region office at the above address.

Your claimed priority date in July 11, 1979. Information available to IDWR allows us to confirm that there has been a home on your property since 2001. Please contact me so that I can explain how you can obtain a Bonner County Assessor record or other evidence that will support your claimed priority date.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,
