Dear Mr. Merritt,

Attached is the Church's filing for a well A37-10687 that was returned because it did not have a priority date. We have searched extensively and know the priority date was before 1920. We have reason to believe the well was drilled in 1917 but we are only sure it was before 1920.

We hope this is sufficient information for your records. Thanks for your assistance.

Sincerely,

Ronald C. Johnson
