Hello, Mr. Roda:

Thank you for calling me back this morning. As discussed, more information is being compiled in support of the claim under 95-4394, and will be forwarded to you as soon as possible. I understand from our conversation that you have moved the deadline for that out to December 15th. I will let you know if there's any problem with getting the information to you by then. In the meantime, it is my understanding that claims can and should still be filed under 95-8593 and 95-8737. That also will be done as soon as possible. I understand that the filings can be done at any time while the basin is still open. Please let me know if there is a deadline in that regard.

Thank you again for your consideration,

Janet
