SUBJECT: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Number 95-10158

Dear Mr. or Ms. Gage:

I'm writing in regard to the Notice of Claim to a Water Right filed on February 22, 2009, for irrigation usage from a ground water source and surface water from Wolf Lodge Creek.

We are currently in the process of reviewing this claim for recommendation for decree in the CSRBA. However, I have several questions relating to this claim and ask that you contact me. The questions are regarding the source of water, the water usage from each source, number of acres irrigated and evidence of priority relating to each water usage.

I can be reached at (208) 762-2802 and ask that you contact me by December 16, 2016, as this will allow me to complete this recommendation on a timely basis. Without this information, your claim may be recommended for disallowal in the CSRBA.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
