RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12159

Dear Claimant,

The Idaho Department of Water Resources has received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12159. We are unable to recommend your adjudication claim to the full extent requested for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the domestic and irrigation use of water from Fernan Lake and also a well. Surface water and groundwater sources cannot be claimed on the same form and must be claimed separately. If you want to secure a water right for the use of water from Fernan Lake, you will need to file an additional Notice of Claim to a Water Right in the CSRBA. Only the domestic use of your groundwater source (well) will be included in the recommendation of this water right claim. Domestic water use includes the irrigation of up to ½ acre, and as this parcel is less than ½ acre in size, a domestic water right is most applicable to your water needs.

For your convenience, I am sending you a new CSRBA Notice of Claim to a Water Right form with Fernan Lake claimed as the water source. Please review and sign the enclosed claim form, initial any changes made, and return it to our office along with the required \$25.00 filing fee. Do not hesitate to contact us if you have any questions. If additional assistance is needed, you may also schedule an appointment to meet with me in our Coeur d'Alene office. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
