Re: 95-15951

We are returning your Notice of Claim. The date of priority is listed as May 20, 2010, which is the day you signed the claim. The date of priority is the date the water was first used regardless of who owned the property. Kootenai County provided us with a list that indicates the house was built around 1966. Would you please review the date, make any changes and return the claim to our office?

Thank you,

Kenneth Knoblock
Water Right Supervisor
