Re: 95-8347

We are returning your Notice of Claim. The date of priority is the day that a permit for a water right license was applied for. For this license the priority date is June 16, 1983.

System #2 is for taking water out of Lake Coeur d'Alene and installed in 1986. After May 20, 1971, a permit was required and an application needed to be submitted to acquire a water right. We have enclosed an application for your use.

Please change the date of priority on the claim and return it to our office.

Thank you,
