

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA
Case No. 39576

Water Right Claim: 85-15676B

**NOTICE OF EXAMINATION
OF DEFERRED *DE MINIMIS*
DOMESTIC AND/OR STOCK
WATER USE**

A Motion for Determination of Deferred De Minimis Domestic or Stock Water Use

(Motion) was filed with the district court on December 7, 2016, for water right claim 85-15676B.

Upon claimant notification to the district court of publication of the Motion, the Director of the Idaho Department of Water Resources (IDWR):

- ☒ Will conduct an examination of the claim and file a report with the district court no later than 60 days past the date of filing notice of publication.
- ☐ Will commence an examination of the water system pursuant to Idaho Code § 42-1410 (2003) and file a report on its findings with the district court on or by _____. The Director estimates the costs for examination of the water system and preparation of the report to be _____.

The Idaho Department of Water Resources (IDWR) recently discovered Kent Rad / Rad Family Pasture Land LLC claimed a domestic water right in the Snake River Basin Adjudication (SRBA) but IDWR did not report it to the SRBA Court. Since this is an error on the part of IDWR it will file all of the appropriate documents with the SRBA Court, pay advertising costs and ensure publication notice per the Court's December 18, 2013 order implementing deferred *de minimis* procedures.

DATED this 13th day of December, 2016.

Signature of IDWR Representative
