RE: SRBA Claim

Dear Claimants:

Please find enclosed your claim and your check #790 for \$25 which you recently submitted to our office. I am returning these pursuant to Rule 10,4 of the Department's Adjudications Rules and Regulations.

I must return your claim since the form in which you submitted the claim on does not allow for the inclusion of irrigation in item 6. The form only allows domestic and stockwater to be claimed. Normally irrigation would be claimed on the longer form which requires the payment of a larger fee; however, the definition of domestic allows for sufficient water for irrigation of up to 1/2 acre in connection with a household and this type of use can be claimed on the short form.

Assuming your use is domestic with irrigation of only 1/2 acre of lawns, I have drafted a claim for your review based on the initial statements on your original claim. Please review this draft and if it correctly describes your water use please sign it before a notary and return it with the \$25 fee.

Please note I have also enclosed additional forms for your use if the draft is not correct. If you have any questions please feel free to contact our office.

Please return the corrected claim as soon as possible to avoid the deadline.

Sincerely

Allen Merritt
Water Rights Supervisor
