RE: Claim No A63-21485

Dear Vicky,

It was good to visit with you today in regards to the above Claim A63-21485.

This claim is for the address at 242 Caldwell Blvd, Nampa, Idaho. We have about a dozen small warehouses and two retail shops on this site. We have 3 rest rooms consisting of 3 toilets and 3 sinks. We also have one outside faucet that the warehouse people can get water for misc. use.

The Priority Date is 12/31/1955. This is when my father had a 90 foot well drilled to supply water to the above described property, which by the way has not changed in the last 51 years.

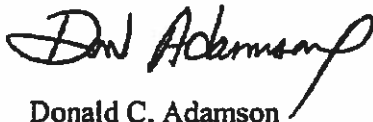

My father next month will turn 90 years of age and for estate purposes we put this property in CCA Investments. The owner ship is exactly the same which is owned by Cliff and Clara Adamson.

Since I am the oldest son I am handling all of the business side of things for my father and mother. I would appreciate your putting me on the mailing list so I am the contact person.

I trust this is the information you were looking for as we discussed on the phone.

Should you need any other information please don't hesitate to give me a call or drop me a note.

Personal Thanks,

Donald C. Adamson

RE: EVIDENCE OF PRIORITY, COMMERCIAL USE, FIELD EXAM -
Snake River Basin Adjudication Claim No(s): A63-21485

Dear CCA INVESTMENTS LTD PARTNERSHIP:

In the past, CLARA K AND CLIFFORD C ADAMSON submitted the above referenced claim(s) during the Snake River Basin Adjudication (SRBA) claims taking. You may be the owner of this water right claim. Enclosed is a computer generated printout of the claim(s) for your reference only. CLARA K AND CLIFFORD C ADAMSON indicated, when this claim was filed, that the water right(s) was based on a "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. This claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date."

Additionally, CLARA K AND CLIFFORD C ADAMSON claimed a commercial use. Information is needed about this commercial use. If no evidence of this priority date or the commercial use is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right(s) if water availability problems arise in the future.

The required evidence supporting the priority date(s) requested needs to be submitted by March 17, 2006. Please call me as soon as possible if you think you may own a portion of this claim, to let me know if you may not be able to submit proof of priority or if you have any questions not covered by this letter and the enclosed pamphlet.

In addition, since it is our goal to decree the historical water rights within the Snake River Basin as accurately as possible, field exams are now being conducted by Department water resource agents to verify claims in this area. Therefore, either Ms. Sandy Hemenway, Ms. Merlaine Bishop or Mr. Burke Scholer will be contacting you within the next few weeks to schedule a field exam.

Page 2

Lastly, Idaho statutes require that the Idaho Department of Water Resources (IDWR) be informed of a change in water right ownership within 120 days of the property transaction. If you purchased the property referenced in this letter and intend to pursue the claim file by CLARA K AND CLIFFORD C ADAMSON in the SRBA, please fill out the change of ownership form and send it with the required documentation to my attention at 2735 Airport Way, Boise, ID 83705. Please call me at (208) 334-2190 if you have questions.

Respectfully Submitted,
