RE: Investigation of Water Right Claims in the Snake River Basin Adjudication, Basin 63

Dear Claimant:

As you may be aware, the Idaho Department of Water Resources (IDWR) is commencing its Snake River Basin Adjudication (SRBA) investigation of water rights in the Boise River Basin (Basin 63). This investigation is a major effort, and IDWR has hired a contractor, Intrepid Engineering Services, to assist us with this task.

The purpose of this letter is to advise you that Intrepid might be contacting you to conduct a field investigation of your water use. This investigation is meant to provide important information to the IDWR Senior Water Resource Agent who will be making a recommendation for your water rights. Accordingly, we request that you provide Intrepid with access to your water diversion system so that their personnel can conduct this field examination. Intrepid will be gathering information on the rate of flow, diversion location and place of use of your water rights, and will be reporting this information to IDWR.

If you have sold your property in the Boise River Basin, we request that you forward this letter to the purchaser, so that the purchaser can report the new name and address to our office. If you are unable to forward this letter, please send any information regarding a new owner to our Western Regional Office located at 2735 Airport Way, Boise, 83705, (208) 334-2190.

The process of adjudicating your water rights is straightforward for most people, resulting in the issuance of decreed water rights on your property. Experience has shown that water users who work with our agency early in the process to ensure that their recordings are correct have a better experience than those who wait until IDWR has filed its findings with the SRBA Court. Thus, we encourage you to work with our staff and with Intrepid to ensure that the results accurately reflect your water uses.

Sincerely,

Jan Shurte
Adjudication Section Supervisor
Western Regional Office

RE: Snake River Basin Adjudication (SRBA)
Ada County - Notice of Claim Form #A63-21532

Dear Claimants:

Thank you for returning your Notice of Claim form #A63-21532. I have enclosed receipt #C031960 which you may keep for your records.

Our records indicate you were sent a Commencement Notice May 11, 1989. We didn't receive your Notice of Claim until March 14, 1990--after the September 8, 1989 filing deadline for Ada County. The statutes governing the adjudication provide that late fees be assessed to encourage prompt filing of the Notices of Claims. Idaho Code para. 42-1409(8) sets these fees at \$50.00 or 15%, whichever is greater. The late fees applicable to your claim would be \$50.00. If you feel you have a compelling reason for not complying with this deadline, you may request an extension of time and waiver of the fees. I have enclosed a form for your possible use in this matter.

We will suspend for 30 days the processing of your claim until the late fees are paid or waived. After 30 days your fees will be refunded unless an extension is filed or late fees are paid as set forth above. You may resubmit another claim within the next year by submitting the filing fee plus late fees.

Please do not hesitate to contact this office if you have any questions or concerns.

Sincerely,

Roxanne McCarthy
