of October, 2004, at which time all remaining principal and interest shall be fully due and payable.

It is specifically understood and agreed that Vendees may pay all the unpaid balance to Vendors hereunder without penalty. In the event of payment of part, but not all said balance, such prepayment shall be applied toward the last maturing installments, and Vendees shall not be relieved from making the current annual payments above required.

All payments shall be made to the escrow holder hereinafter provided for, who is hereby constituted the agent of the Vendors to accept all payments called for herein and to receipt therefor to the Vendees. The costs of the initial and ongoing escrow fees charged by the said escrow holder shall be equally divided between the parties.

TAXES AND ASSESSMENTS.

All real property taxes assessed and levied against the real property for 1989 shall be prorated between the parties as October 2, 1989. Vendees shall pay all taxes and assessments levied and assessed against said premises for the year 1990 and thereafter during the life of this contract, and Vendees shall not allow said taxes and assessments, or any part thereof, to become delinquent.

POSSESSION DATE.

Vendees shall be let into and have possession of said premises as of October 2, 1989, and shall thereafter be entitled to remain in possession thereof, and have the use, issues and profits thereof during the entire life of this agreement, or until the same shall have been terminated as herein provided. In the event Vendees fail to perform this agreement as herein provided, and Vendors serve notice of forfeiture upon them, as hereinafter provided, then and in that event, unless they perform this agreement within the time hereinafter provided, and as specified in the notice served upon them by Vendors, they will forthwith, and without delay, surrender and deliver up possession of said property to Vendors in a quiet and peaceable manner, and without suit or action. Provided, however, that Vendors shall be allowed to have their farm machinery, equipment, and other miscellaneous property to remain on the real property following closing for the purpose of conducting a farm sale. Vendors shall further be allowed access to the real property after October 2, 1989, to harvest and remove their remaining 1989 crops therefrom, which crops are recognized to be the property of the Vendors.

CLOSING.

Closing of this transaction shall be under the direction of **LAND TITLE AND ESCROW, INC.**, Gooding, Idaho, on or before the 13th day of September, 1989. Costs of closing shall be borne in equal shares between the parties.

TITLE INSURANCE.

Vendors shall, at the time of closing of this transaction, furnish at their expense, a policy of title insurance in a responsible title insurance company, insuring the title of said property in the sum of ~~\$138,500.00~~ to be vested in the Vendors, with a purchaser's clause in favor of the Vendees, showing a marketable title to said premises to be vested in the Vendors, subject to taxes for 1989 and to any easements and rights of way that may exist over, across and upon said premises, and those other exceptions more particularly described on Exhibit "B" attached hereto. In the event Vendors are unable to furnish a marketable title, they shall have a reasonable time to make such title marketable, and in the event of their failure or refusal so to do, Vendees may, at their option, either terminate this contract, and demand and receive back from Vendors, all payments made under the terms hereof, less the reasonable rental value of said premises for the time Vendees have been in possession thereof, or, they may elect to continue under the terms hereof and to take whatever steps may be required in order to effect a marketable title and charge the costs thereof to Vendors and deduct said costs from the next ensuing payment or payments falling due under the terms of this contract.

It is further understood and agreed that title to said premises shall be and remain in Vendors until the full purchase price, together with the interest thereon, shall have been fully paid.

DEED & ESCROW.

It is specifically understood and agreed that Vendors, on even date herewith, and as a part of this transaction, have executed a good and sufficient Warranty Deed to the Vendees, for said premises, and Vendees hereby approve said deed as to form and content; said deed, together with an executed copy of this agreement, shall be placed in escrow with **LAND TITLE AND ESCROW, INC.**, Gooding, Idaho, and said escrow holder is hereby authorized and directed to deliver said deed to the Vendees at the time of the payment of said deferred payments in full, together with all interest thereon. In case this agreement is forfeited or terminated, as herein provided, then said escrow holder is authorized and directed to return and deliver said deed to Vendors.

The parties hereby agree to bear all initial and ongoing costs accrued with respect to the escrow mentioned above, in equal shares.

ENCUMBRANCES.

Nothing herein contained shall be construed to constitute the Vendees the agent of the Vendors, and Vendees shall have no power or authority to bind Vendors, or the property being acquired hereunder, for any material or labor used in making additions to said property, or improvements thereon, and Vendees specifically promise and agree that they will not suffer any lien or liens to be attached to said property or any part thereof by reason of the erection of any buildings and/or improvements thereon, or suffer any liens by operation of law, or otherwise, to attach to said property.

INSPECTION.

Vendees agree and warrant as part of the consideration for the sale to them of said premises, that they have personally inspected the same and that they are not relying upon any representations made by the Vendors, or by any servant or agent of the Vendors, and that they are relying upon their own personal knowledge of the premises and that they know the situation, character, quality and condition of the premises, and of the quantity of land being acquired hereunder. Furthermore, Vendees recognize that they are purchasing the real property above described "as is", with no warranty or affirmation of fact made by Vendors or any person on Vendors's behalf, being a part of this transaction.

Vendees are specifically aware of the presence of noxious weeds and rock on the real property which is the subject of this sale.

FIRE AND CASUALTY INSURANCE.

Vendees further agree that they will insure and keep insured during the life of this agreement, the buildings and improvements on said premises against loss by fire and other casualty in the amount of the replacement value thereof. Such insurance policy shall have a loss payable clause payable to Vendors and Vendees, as their respective interest may from time to time appear, and such policy or policies shall be placed with the escrow holder hereinafter provided for. In the event of loss by fire or other casualty, both parties shall cooperate in making proof of loss promptly, and any insurance recovery shall be applied toward the restoration and repair of said damaged or destroyed buildings and improvements.

WASTE OR STRIP.

Vendees shall commit no waste or strip and will permit no waste or strip to be committed on said premises during the life of this contract, and further agree that they will farm said premises in a good husbandlike manner.

INTEGRATION.

Vendors and Vendees acknowledge that the terms, conditions and covenants of this agreement shall supersede any prior negotiations and agreements of the parties, that there are no other agreements not contained in this agreement, and that this agreement shall be the final expression of the agreement of the parties and shall control. No modifications of this agreement shall be valid unless in writing and executed by all the parties hereto.

DEFAULT.

Should Vendees fail to perform this Agreement in any aspect, or fail to make any payment required by this Agreement, then Vendors shall serve notice of default, in writing, specifying the nature of such default, to Vendees at the following address: 1930 East 1350 South, Gooding, Idaho, 83330.

In the event the specified events of default remain uncured within Thirty (30) days of the date of written notice, Vendors may, at their option, pursue one or all of the following remedies:

a) Accelerate the full balance then due and owing the Vendors pursuant to this Agreement, demand the full payment of said purchase price, treat this Agreement of Sale as a note and mortgage, and foreclose the same pursuant to the mortgage foreclosure laws of the State of Idaho.

b) Serve Vendees a notice of forfeiture of all rights under this Agreement, in which event all monies paid previously by Vendees under this Agreement shall be retained by the Vendors, and constitute liquidated damages for the breach of this Agreement and the use of the above described property through the time of default. In such event, Vendees agree to promptly surrender up possession of the above described property to the Vendors. Vendees shall then henceforth be regarded as a tenant holding over after the expiration of a lease, and shall be subject to the laws of the State of Idaho concerning forcible entry and unlawful detainer.

c) Treat this Agreement of Sale as rescinded, and proceed against the Vendees for damages equal to the unpaid balance of the Agreement, incidental and consequential damages for the

breach, other sums due and owing under this Agreement, and all other damages to which the Vendors may be entitled.

d) Sue for specific performance under this Agreement.

e) Pursue any other remedy to which the Vendors may be entitled under the laws of the State of Idaho or the United States of America.

It is understood that the election of any option as to an appropriate remedy shall be exclusively the election of the Vendors.

NOTICE OF SERVICE.

It is further understood and agreed that any notices hereinafter provided for may be given as follows:

By Vendors to Vendees, by certified mail, properly enclosed in a sealed envelope, addressed to Vendees at 1930 East 1350 South, Gooding, Idaho, 83330.

By Vendees to Vendors by sending the same by certified mail, addressed to Vendors at 1857 Elmwood Road
Gooding, Idaho 83330.

Service of any such notices shall be complete upon the arrival thereof in the Post Office to which addressed as above required.

COMMUNITY DITCH.

It is understood by the parties that Vendors hereunder and Robert Jackson, who owns real property adjacent to that which is the subject to this agreement, have established an agreement for the rotation of water. Robert Jackson has 1-1/2 shares of water turned in with the water which is the property of the Vendors. Vendors and Jackson have agreed that every 10 days Jackson receives the amount of 25 miner's inches of water for six hours. At all other times, the total stream of water is utilized by the Vendors. Furthermore, Jackson has historically been given the right to use waste water in the waste water ditch which traverses the real property which is the subject matter of this agreement, by notifying the Vendors in advance of such intention. At such times as there is no waste water present in the waste ditch, then Jackson is provided water for six hours every 10 days as previously set forth.

ATTORNEY'S FEES.

If default be made by either party hereto in keeping or performing any of the covenants, conditions or agreements

herein agreed to be kept by them, and the other party is required to employ an attorney to enforce any of the covenants, conditions or agreements herein contained, then and in such event, the party in default agrees to pay, in addition to all other sums herein agreed to be paid by them, a reasonable attorney's fee, together with any costs and disbursements that may be incurred in enforcing this agreement.

PROHIBITION OF ASSIGNMENT.

Vendees recognize that they shall not sell, convey, assign, or otherwise transfer any of their ownership interest in the real property above described to a third party without first having obtained written authorization from the Vendors, which consent shall not be unreasonably withheld by Vendors.

PREPARATION OF AGREEMENT.

The parties recognize that this agreement has been prepared by Robert E. Williams III, as attorney for the Vendors. Vendees agree to reimburse Vendors for one-half the expenses incurred for such legal preparation. Vendors have further been advised that they have the right to seek independent counsel of their own choosing with regard to all matters contained in this agreement.

MEMORANDUM OF AGREEMENT.

A Memorandum of this agreement shall be recorded after the time of closing.

TIME IS OF THE ESSENCE.

It is understood and agreed that failure on the part of the Vendors to require prompt performance on the part of the Vendees shall not extend the time of performance by Vendees, or be a waiver by Vendors of time being the essence of this agreement, it being specifically understood and agreed that time is hereby made the essence of this agreement.

BINDING ON SUCCESSORS.

This agreement shall inure to the benefit of, and be binding upon, the parties hereto, and their respective heirs, executors, administrators and assigns.
