Ms. Werner,

Thank you for contacting me about this application, I have been expecting a call for several years. Unfortunately (or fortunately depending upon how you look at it) we sold that property in April of this year and purchased a larger property up in Sagle.

If I can answer any questions you may have about the Wolf Lodge property, feel free to contact me via this email address.

While I have you here, how do I go about making an application for our new Sagle property?

Thank you,

Joe

Dear Mr. or Ms. Gaines,

I'm currently in the process of reviewing the above claim to a water right for decree in the Northern Idaho Adjudication. If you recall, this is the claim filed from a well water source and Wolf Lodge Creek for domestic, stockwater, irrigation and fire protection usage. You filed the claim in February, 2010.

Please contact me in regard to this claim as I have several items I need to discuss with you relating to the water sources and their respective usage. Also, do you still own this property?

I would appreciate it if you would get back to me as soon as possible at the phone number listed below or feel free to email me at this address.

Thank you.
