RE: Coeur d'Alene-Spokane River Basin Adjudication Claim No. 95-11757

Dear Claimants,

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to process and recommend your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right for claim number 95-11757 was filed for domestic and irrigation use with a priority date of 8/10/1925. No water source was listed on the claim and no evidence was submitted in support of the claimed priority date. Tax lot data for the claimed parcel (03080000019A) indicates that a home was first built on the property in 1966, with a second dwelling added in 1968. This data does support a claim for domestic use in 2 homes with a priority date of 12/31/1968, but an amended claim form must be submitted before the change can be made and the claim recommended. The water source for the domestic use must also be added to the claim. A domestic water right will include the irrigation of ½ acre of lawn and garden around the homes, which should be sufficient for your property based on the parcel's size.

For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right form for Claim No. 95-11757. Please complete the amended claim form and return the signed claim to our office at the address listed above.

Please Note: If the amended claim form is not submitted within 30 days, this claim will be deemed invalid and recommended as disallowed to the Court.

If you have any questions or concerns, please contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
