Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-17201

Dear Mr. or Ms. Peterson:

We are in the process of reviewing the above claim for recommendation in the CSRBA. This is the claim filed on Lost Creek for the irrigation of 7 acres.

A review of this claim indicates that the source is an unnamed stream rather than Lost Creek.

Enclosed is a topographic map of your property for review. It shows the diversion point and place of use, as claimed. Note that the diversion point should be where you are taking control of the water from the stream, and the second diversion point from the ditch would be considered a part of the conveyance system, and not a point of diversion. If you are in agreement with this change, please amend your claim to reflect this usage by changing the source, under item three, from Lost Creek to Unnamed Stream tributary to "sinks". Be sure to initial and date any changes that you make.

Please return the claim and map to my attention by **January 30, 2017**. This will allow me to complete the recommendation of your claim for court decree on a timely basis. If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

A handwritten signature in cursive script that reads "Linda A. Werner".
