RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9095

Dear Claimant(s),

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the domestic and irrigation use of groundwater with a priority date of June, 22, 2004 based on a previously issued water right license. When filing a water right claim based on a previously issued license, all aspects of the original license must be carried over to the new claim form including the use, priority date, diversion rate, diversion volume, place of use, and point of diversion. The water right license you claimed is appurtenant to your properties, but has a priority date of August 22, 2001. Before this water right claim can be recommended to the Court, an amended claim form with the correct priority date must be submitted. For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-9095 which includes all pertinent information from the originally licensed water right. An additional \$3.00 is also required in order to recommend the claim to the full extent of the license. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form with the \$3.00 filing fee to our office at the address listed above within 30 days of receiving this letter.

PLEASE NOTE: If an amended notice of claim and the remainder of the required filing fee is not received for this water right, IDWR will recommend this claim with the more junior priority date claimed and also exclude the irrigation component of the original license.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
Senior Water Resource Agent
Northern Region
