RE: Ownership of Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No. 95-10438

Dear Property Owner,

Our office has been advised that you may be the new owner of Kootenai County Parcel Number 53N05W130520 and the water right claim referenced above.

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right claim 95-10438 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this right, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents showing your ownership. Please follow the instructions included with this form and return it to our office with all the required information.

Once the current ownership of this claim has been established, the water right claim will have to be amended before it can be recommended to the Court. When the claim was originally filed, no water source was listed and therefore the appropriate source cannot be determined. This error must be corrected through the submission of an amended claim form, but the amended claim cannot be excepted until the ownership of the claim is corrected.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,
