RE: Claimed Use Domestic

This memorandum is a result of talking to Mr. Vern Ravenscroft and assisting him with preparing this claim. The activity associated with this water right is an office for the post business. Mr. Ravenscroft was informed this activity could be viewed more nearly as commercial albeit small compared to the domestic and perhaps less than a single-family domestic use. Given that Mr. Ravenscroft preferred to describe the use as domestic.

This water right should be reviewed and examined to determine if the use, and other elements if necessary, are correct.
