Dear Claimants:

Please contact me to correct the claim that you provided to the Idaho Department of Water Resources (IDWR) concerning your property at tax parcel 53N02W-32-5600. The front page of your claim shows water from two points of diversion. The statement on a yellow page and your map show three points of diversion.

Green Creek does not appear to lie on your property. Your statement (Yellow Page) indicates that you received water from this source in 1962. Do you still receive water from this source?

Please contact me at (208) 762.2816.

Respectfully,

Shaun M. Maxey
Sr. Water Resources Agent
