NOTE ON ITEM 2 : DATE OF PRIORITY

We purchased the cabin (468 E. Gano's Lane), in mid 1974, from the prior owner who had built the cabin in the mid - 1950's. We have lost touch with the family who built the cabin, so a more exact date for start of beneficial water use is not available. But, as the cabin used lake water for both in-cabin and lawn use, it is logical to assume that beneficial use started upon completion of the cabin construction.

The past owner of the immediate next-door cabin, bought that cabin in 1969. He told us that, at that time, the then owner of our cabin was using pumped lake water for beneficial domestic use. We can supply an affidavit to that effect if needed.

Note that our cabin has been used every summer since 1974, and almost certainly since mid 1950's, that is over 50 years, with pumped lake water supplying beneficial domestic use. From mid - 1987, a drilled well on a separately owned, adjacent lot started supplying potable water for in-cabin use to 6 adjacent lots, including ours. Thus, since that date, we have only pumped lake water for lawn sprinkling use.
