Re: 95-9658

Attn: Kenneth Knoblock

I received your letter of December 27, 2011 requesting that I agree to your suggestion to move 20-acre feet of storage, add diversion to storage as a water use, and leave the rest of the water right as it was. I do agree to this, have signed the form you sent, and request that the application for a new water right be withdrawn and request the filing fee to be returned.

I really appreciate all you have done on the water right at Blanchard. You have made it very easy for me working with you office.

Thanks so much.
