Re: 95-11608

Dear Mr. Costin:

We are reviewed your Notice of Claim for the irrigation of 10 acres. The date of priority is listed as June 5, 1982. When a new diversion of ground water is started after March 25, 1963 for a non-domestic use, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then you can correct the date and return the claim to our office. If the use of water was started after March 25, 1963, then an application for a permit to use the water needs to be filed.

Sincerely,

Kenneth Knoblock
Water Right Supervisor
