Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No. 95-8099 and 95-4312,
Change of Ownership, Evidence of Priority

Dear Mr. Jolly:

Thank you for contacting me and advising us that your address remains the same and that the ownership of the property has changed. I am enclosing an ownership change form, with instructions, which needs to be completed for the ownership change.

I'm also enclosing a copy of the above claims, with map, and ask that you add the source of water to item three on claim number 95-4312. Please initial and date each change that you make. Also, please show on the map where the well is located, where the springs are located, and where the irrigation is occurring.

As discussed in our phone conversation today, we also need evidence of the priority date for the spring usage claimed under 95-4312.

I would appreciate it if you would return this information, to my attention, by **March 15, 2017**. If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely, -

Linda A. Werner
Water Resource Agent, Sr.
