RE: 95-28

Dear Mr. Gannon

In reviewing your Notice of Claim for taking water out of Hayden Lake we discovered a previous water right that was decreed in the Hayden Lake decree that took place on April 10, 1969. The ownership of the right would stay with the property. A copy of the right is enclosed. If you want to record the right, we suggest that you change your Notice of Claim to reflect that right by doing the following:

Item #2 - change the date to July 15 1961.

Item #4 - change the section to 3 and in the govt lot as 1. ✓

Item #6 - change the period of use to 3/1 to 10/31 and the amount to 0.02.

Item #7 - change the total to 0.02.

Item #9 - change the section to 3 and add lot 1. ✓

Item #14 - check decree and add 95-28 to the water right number.

Then return the claim to our office.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
