Dear Mr. and Mrs. Seid:

Thanks for the claim information that you provided to Idaho Department of Water Resources (IDWR) Northern Region office. Your water right claim has been reviewed. and additional action is needed from you before IDWR can complete processing your claim and make a recommendation to the Court.

My review of your claim and IDWR records indicates that already established water right 95-0464 applies to your property and your diversion of water from Hayden Lake. Please review the attached material and contact me to arrange a brief appointment to amend your claim. IDWR personnel are not authorized to amend your claim.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,
