(we purchased the property in Feb. 2004)

Craig,

we were informed by a neighbor a few months after we purchased our property that the previous owner (Charles Magee) had drilled another well on the northeast section of the property he owned (prior to splitting it up). The neighbor also said Magee had retained a right of way across the meadow to the well after sub-dividing the acreage. We discovered the right of way had been relinquished at the time of our purchase, however I have often wondered about the well itself. Does it still exist? Who owns it? It would be great if you could help solve the mystery for us.

Thanks,
Laurie Bookley
