RE: 37-08407

I met with John and Tom McGonigal on 04 March 1998 at the property located 1 mile north of the intersection of Highways 75/20. The house is on the west side of Highway 75.

The permit 37-08407 is for stockwater only. In addition to the permit, there are three beneficial use claims, A37-11392,-11393 (2 domestics and 1 stock) and A37-11387 (irrigation and stockwater). All are in the name of Spring of Gladness Ranch Inc. and John McGonigal is the contact person.

The artesian well associated with the permit is located in the NWSWSW $\frac{1}{4}$ of Section 12, T01S, R18E. The well location can also be described as in the corral, 75 feet south of the home, which was built in 1949. Tag around collar of well with GPS number A0004685.

The rate was determined by theoretical calculation. The stock averages around 150 head.

Recommended rate as permitted with the beneficial use of stockwater only. There is no commercial use and Mr. McGonigal stated there will none in the future.

A37-11392 Recommend domestic (in-house with lawn 1.2 afa). Stockwater sufficiently covered in 37-08407, not necessary to recommend again in A37-11392. The home was built in 1949. The original well is under repair. The renter (applicant's nephew) plumbed into the artesian well. Please see photographs with pump information included.

A37-11393 Recommend domestic (in-house with lawn 1.2 afa). The home was built in 1905. The 1/2 horsepower pump is in basement of home, no other information obtained. Please see photographs of exterior only.

A37-11387 Recommend irrigation and stockwater. The artesian wells are located in the NWNESW $\frac{1}{4}$ {GPS A0004686 tag located on fence post 15 north of well} (see "B" on quad map) and the NWSWSW $\frac{1}{4}$ {GPS see 37-08407} (see "A" on quad map). Both artesian wells are in Sec 12, T01S, R18E. Other rights associated with A37-11387 are from the Big Wood River A37-00104,-00105A. Please see photographs of p/d's & place of use.
