IDWR / NORTH

On Feb 6th when we spoke on the phone, I told you we owned a parcel of land as well as the two on the claim. It is marked 21 on this map that you sent. The bottom two parcels are still ours. We still use water from these parcels as well. We have 3 parcels of land. When you asked me to mark the wells

on our parcels, this is what I sent you. If you would like to clear this up (finally) please call my husband Darin (509) 342-0647. He can stop by your office with all of the copies, claims, pictures & amended claims & see if he can clear things up. The pictures you sent on Feb

6th was correct with
2 parcels of land. The
addition — the picture
sent on Feb 14th is correct
if it is in addition to the
other two.

3 altogether.
