E. NARRATIVE/REMARKS/COMMENTS

FROM: Georgia Satterlee
DATE: 02 September 1997
RE: A37-11707

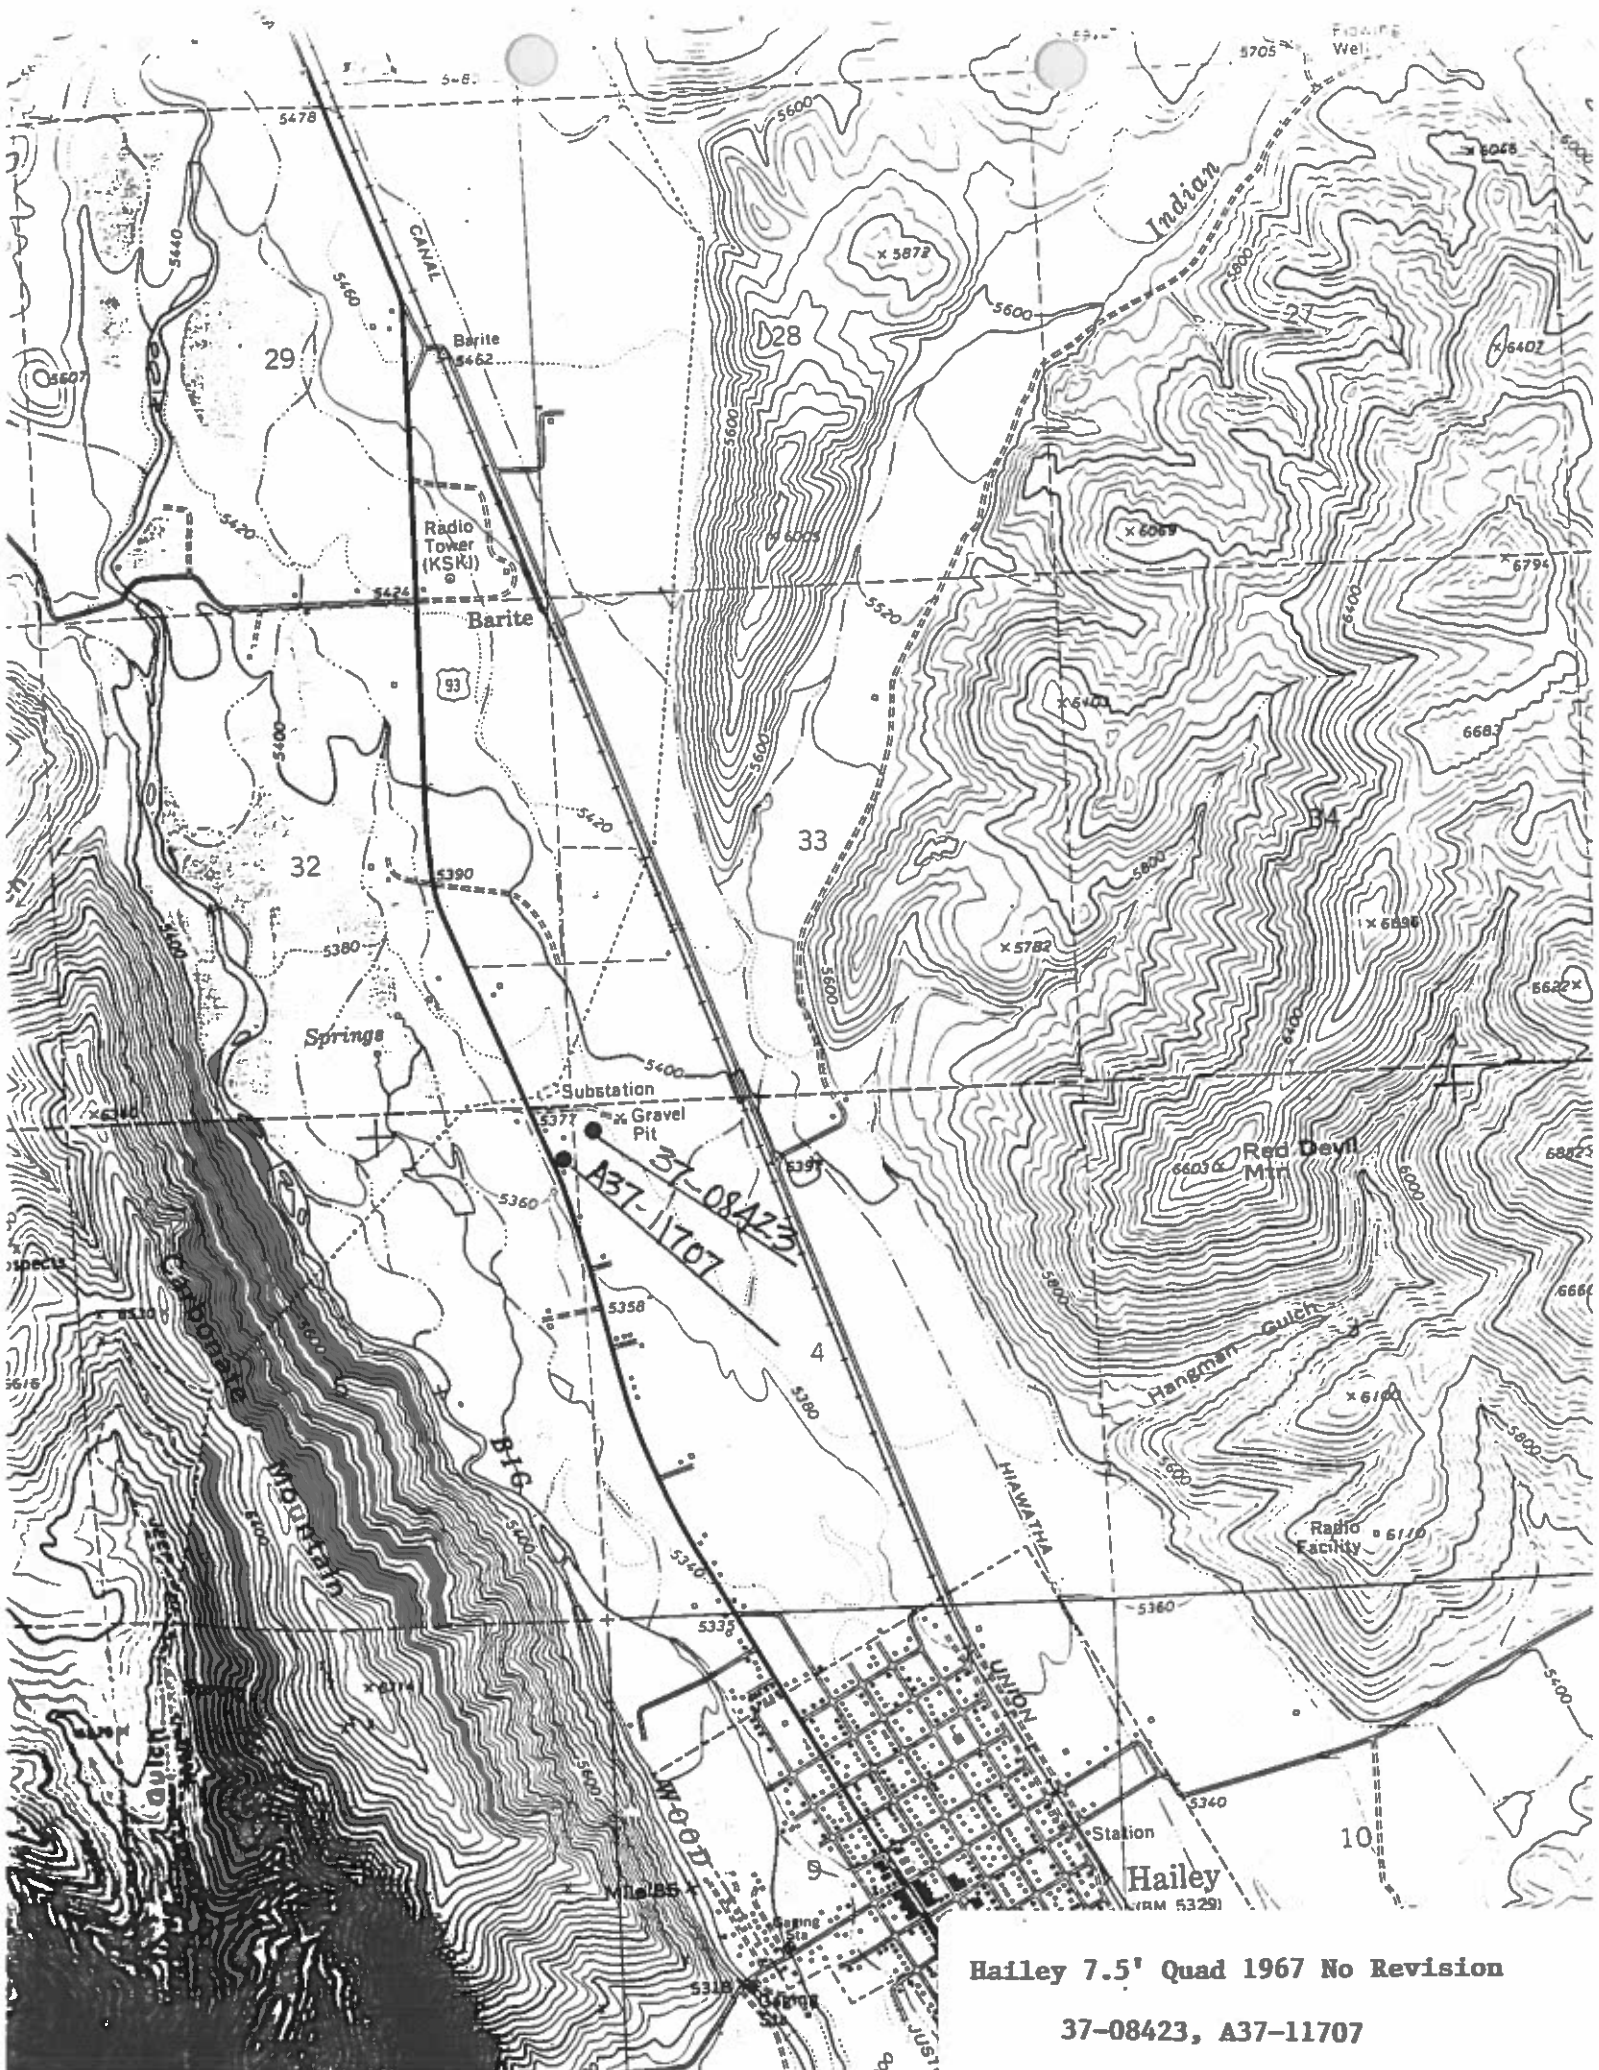

On 14 August 1997 at 1000 hrs. I met with Linda Richmond to perform the field examination for the permit 37-08423.

The Richmond's have three adjudication claims, A37-11707, -11708, -11709 related with the same place of use as 37-08423.

All the claims designate the points of diversion as sandpoint wells. At the time of the examination, Mrs. Richmond said none of the sandpoints are no longer used and that the only point of diversion used is the well located in NE $\frac{1}{4}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 5, T02N, R18E.

The well is domestic for one home and irrigation of lawn.

Because there is only one of the claims, A37-11707, being used beneficially, I would not recommend the other two claims, A37-11708, -11709.

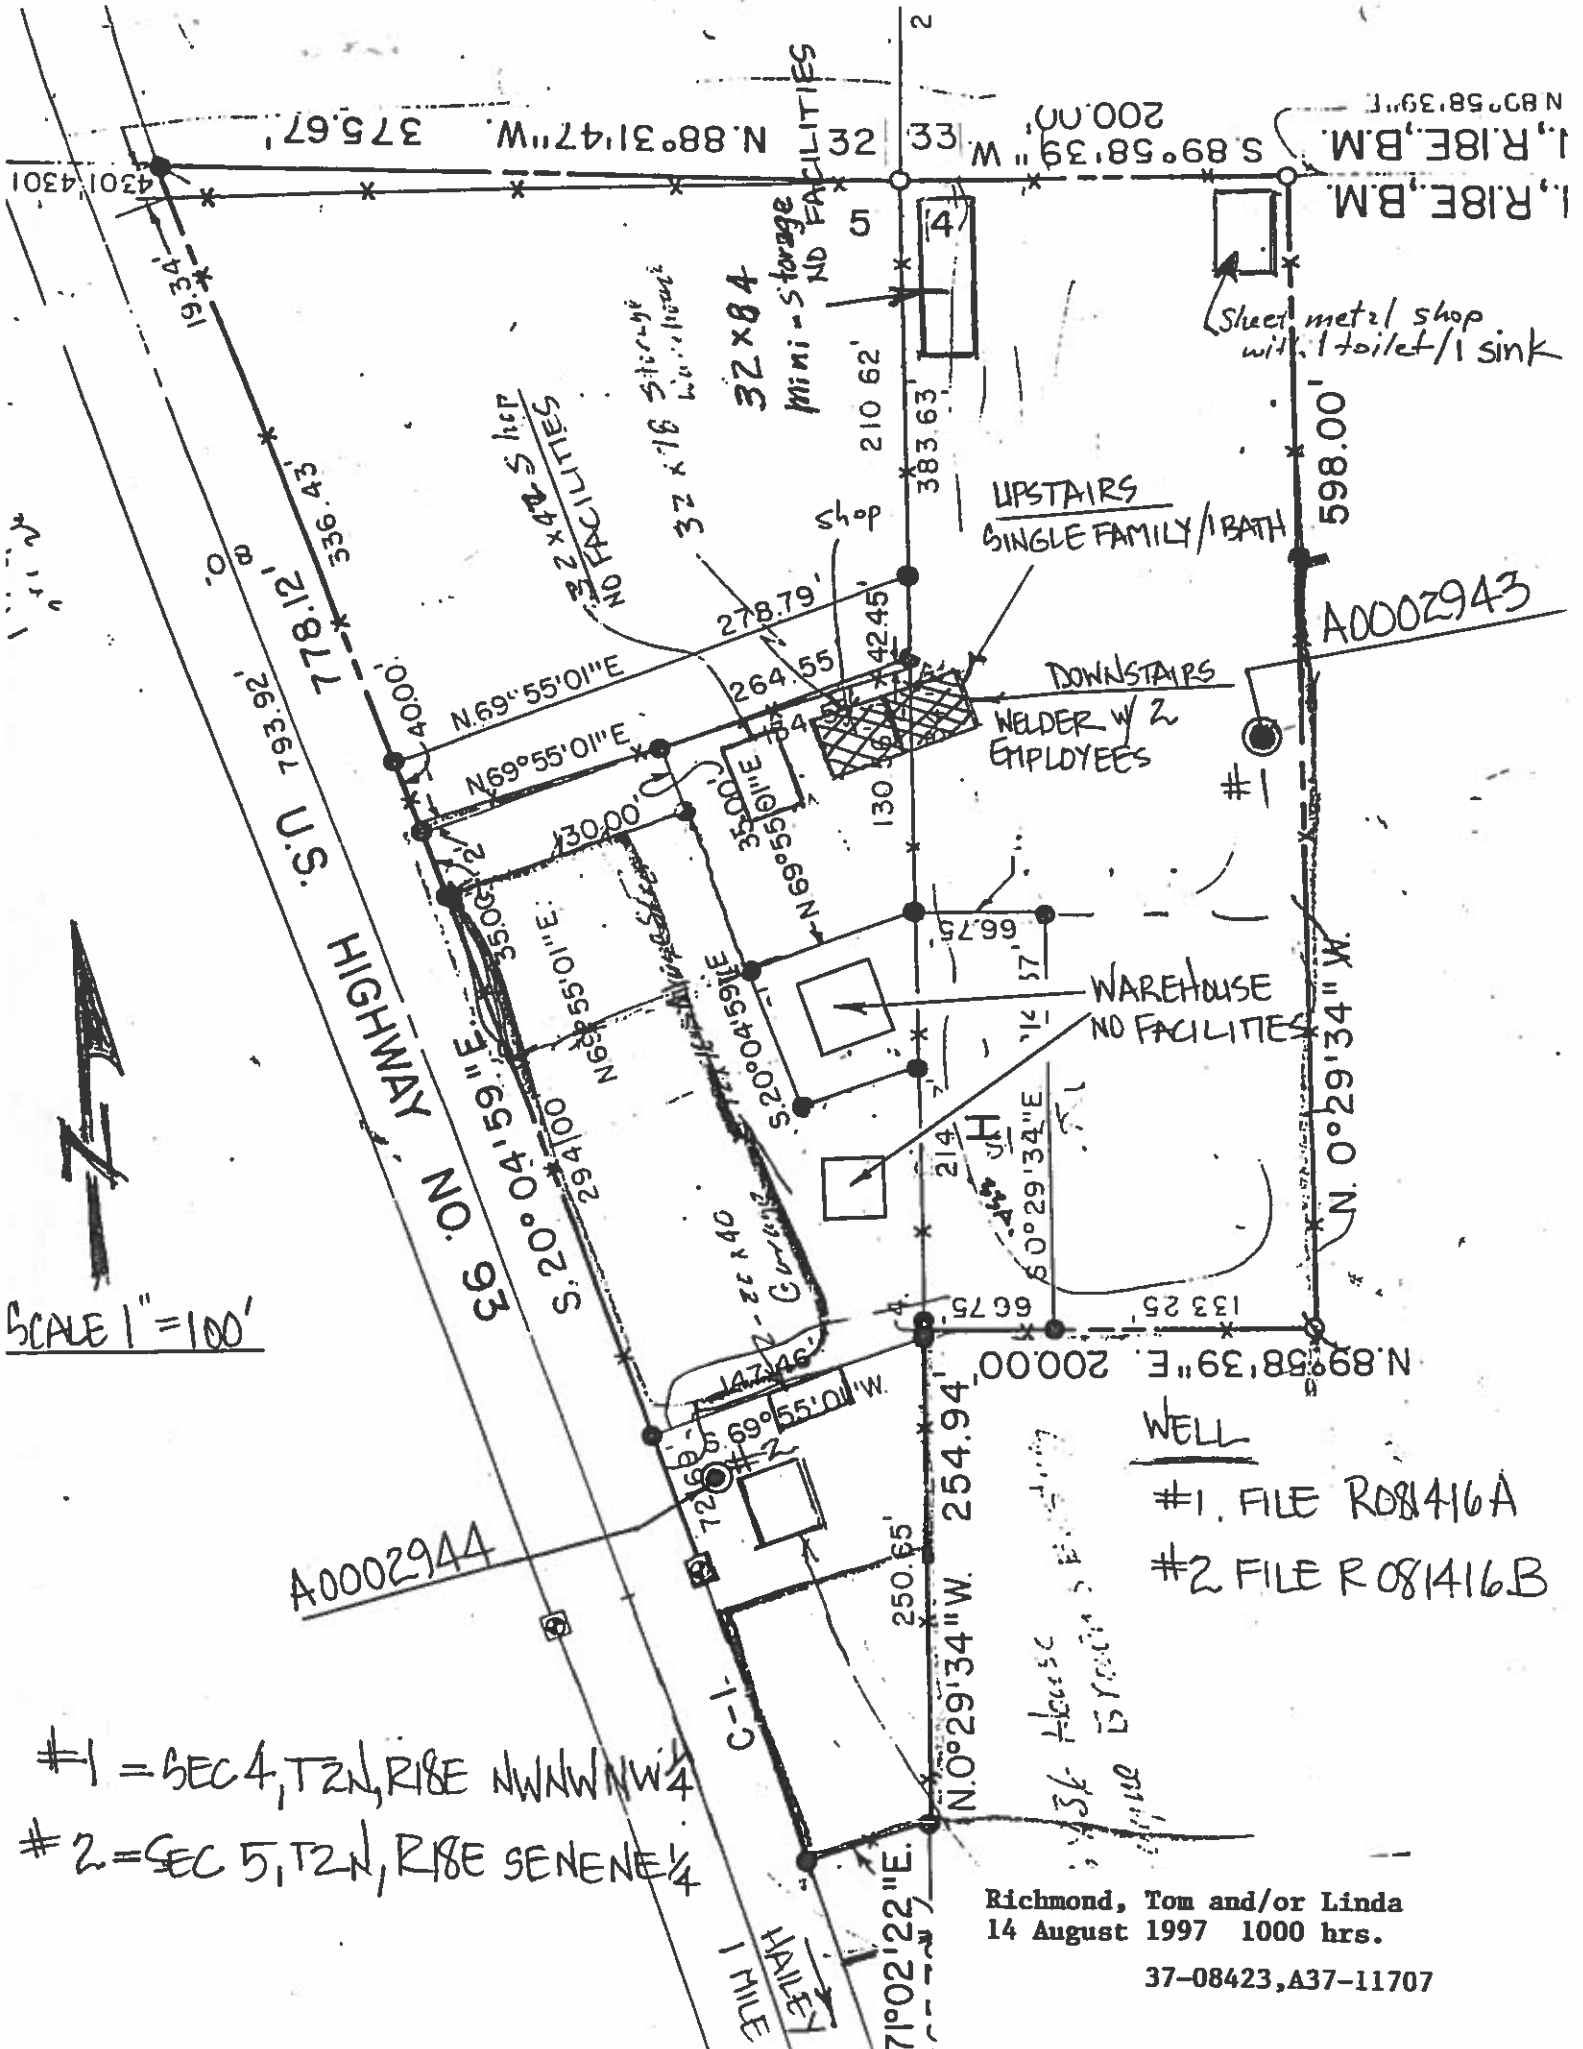

Hailey 7.5' Quad 1967 No Revision
