Re: Claim for Water Right from Coeur d'Alene Lake

Dear Applicant:

The Department of Water Resources (IDWR) has received a *Claim to a Water Right* from you for existing water use from Lake Coeur d'Alene. The location of your diversion falls within Basin 95 of the ongoing Coeur d'Alene Spokane River Basin Adjudication (CSRBA). The form and associated filing fee that you submitted are for a statutory claim to a water right, not an adjudication claim.

I am returning your statutory claim paperwork. In order to proceed with your claim, please complete an adjudication claim form, which can be found at <https://idwr.idaho.gov/water-rights/adjudication/NIA/file-a-claim.html>.

The \$100 filing fee submitted for the statutory claim can be applied towards the \$25 adjudication claim fee, and a refund will be issued to you in the amount of \$75. Please reference Receipt No. N032449 in the paperwork you submit. If IDWR does not receive a claim within 30 days, we will issue a refund.

If you have questions, please contact me at (208) 762-2800.

Sincerely,

Chad Goodwin
Water Rights Supervisor
