INTER-DEPARTMENT MEMO

TO: File

SUBJECT: Kelly Human Transfer

FROM: Jim Stanton

DATE: 3-10-94

Today I met with the applicant at his home concerning this transfer. We reviewed the aerial photos and irrigation sysyem. I am familiar with this farm, having done the licensing exam on his irrigation well a ~~few~~ couple years ago. Due to a land sale beyond his control, it is no longer feasible for Kelly to use the old river pump; the other rights on that pump are also being transferred to other diversion points. No new land will be irrigated under this transfer, but operation of the system will be more efficient. There will no be one diversion point for all of Kelly's water, and it will be only 1/4 mile or so from his farm. Assuming watermaster agrees, I see no reason not to approve this transfer.
