NEW DOC CLAIMS & APPLICATIONS

1. Roger called with questions on how they will receive notice.
2. Gave him that information.
3. I informed him that I had generated 2 new claims for the DOC, 1 for the dairy use & 1 for meat packing use.
4. I was also working on generating 2 applications for permit and 1 expansion claim.

One to cover future irrigation and domestic use from wells 3, 4 & 6.

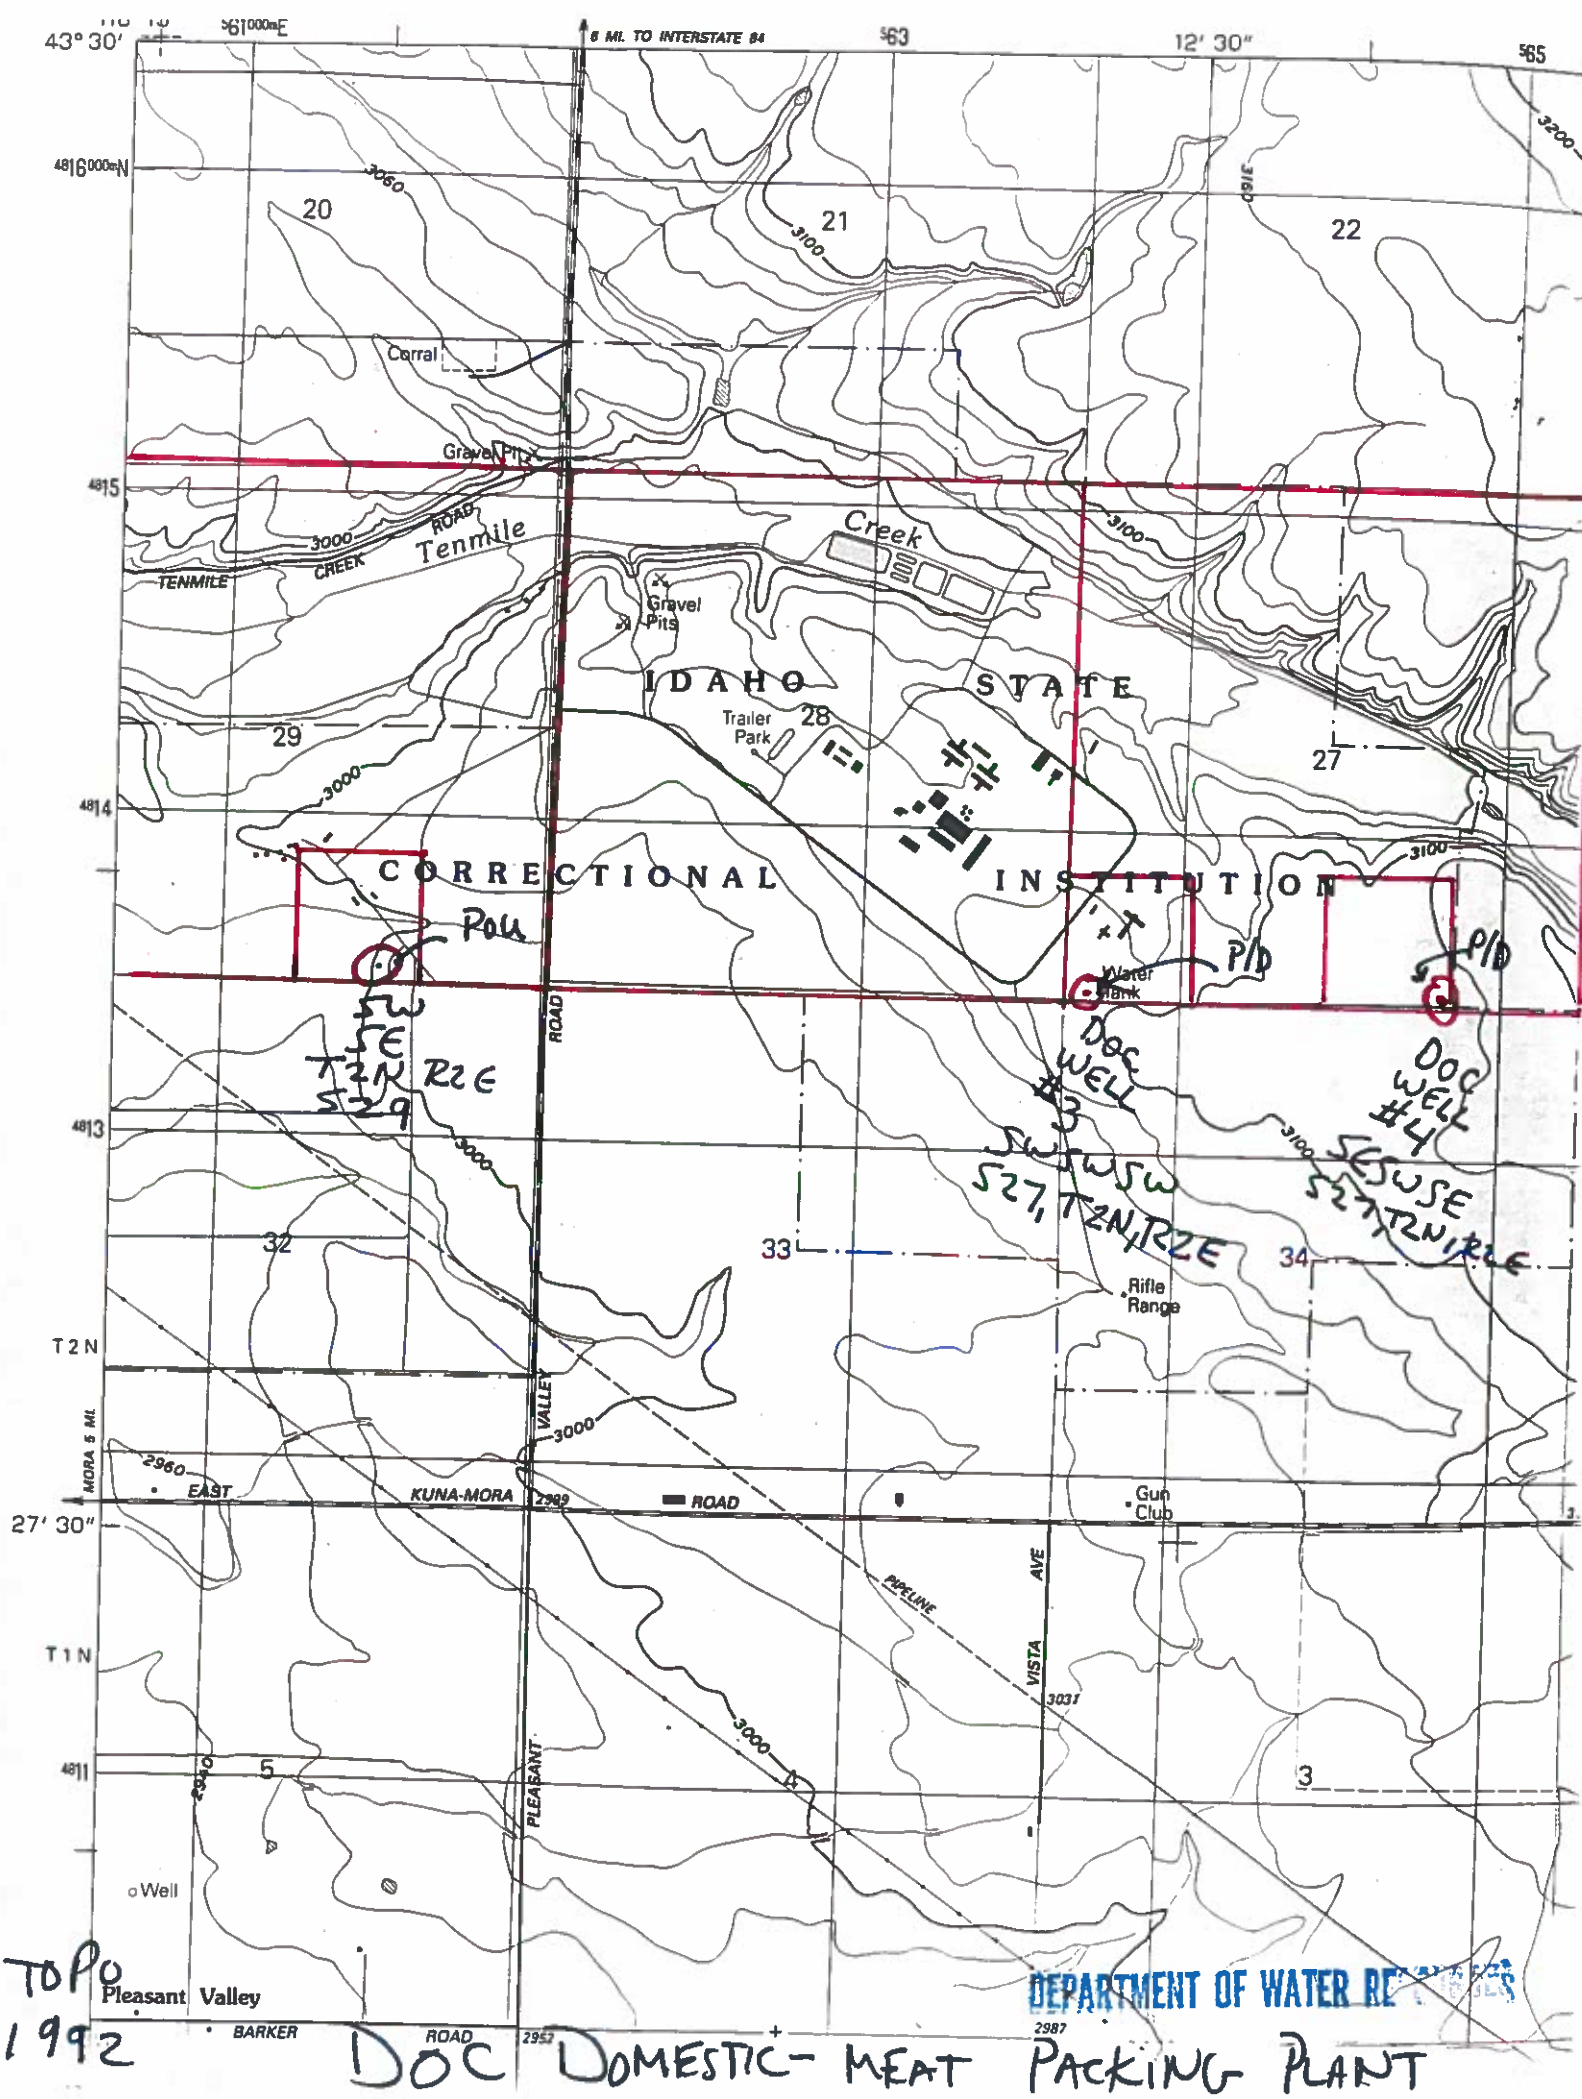

The other to cover additional irrigation from wells 2 & 5.

5. I also informed Roger that I will need to get some affidavits for dates of change of the locations of POU for the irrigation rights.
6. I asked him if he would like to wait until I had all of this done so the DOC's attorneys could see it all at once? This would include the amended claims for wells 4 & 5. He said ok.

Dear Mr. Tuthill:

In reviewing our water rights for the penitentiary south of Boise, we noticed a small error on your Adjudication Claim Profile Report for beneficial use claim No. A63 - 30297. This is the small diversion serving the meat packing plant. The place of use is shown incorrectly as SW SE of section 27, T 2 N., R. 2 E. However this packing plant is, and always has been, in section 29. The points of diversion are correctly shown as being in section 27 (Wells No. 3 and 4). We do not know whether this error occurred in our office or your Department—but thought we should call it to your attention.

Thank you for your cooperation in this matter. If you should have any questions, please contact Pat Donaldson, 332-8294.

Sincerely,

Jake Howard, Administrator
Institutional Services
